Hi Nikhil,

I am so glad we came yesterday. Listening to the pravarchan, the meditation and the prayers made my day. Thanks so much. Anil and I will come as often as we can.

Although, I am deeply interested in meditation camp (as I was pretty much touched by Samaniji's Pravachan during acharya Tulsi Inauguration Day).

Jai Jinendra Pramod Ji
I personally thank you to all, for hosting the JSNT (Jain Society of North Texas) with great hospitality & warm welcome. This was our historic day to us to be together with all 4 sangh under one roof , & Samani ji 's blessing , lecture & sangh members & volunteers. Amazing experience for Kamla . Once again thank you for everything.

Subject: My impressions of Parushan parva celebrations at JVB

Dear Amit,

This was the first time that I have participated in the Parushan celebrations at the JVB. My intention was to attend one evening but after attending the first one, I felt I could attend another one and benefit from the Pratikraman and Samni jee's pravachan. Well I felt so good that I attended all the seven of the eight evenings. The whole arrangement of dinner, Pratikraman and Samnji choice of topics and her flawless delivery were most impressive. I enjoyed the whole proceedings and have made up my mind that I will make as many visits that - given the distance factor - I can.

Many thanks to your team for making the celebration so enjoyable. Many regards.

Subject: Paryushan Message

Dear Seema:

We enjoyed the Mahaparv Paryushan festival as it was a time for inner reflection, contemplation and tap sadhana. One strong message was that if we sow a seed of karma, we should ask if it is taking us in the right direction and bearing the right fruits. Another message is that the antidote for the internal diseases of lust, greed or anger is also inside through love, forgiveness and compassion.
