JVB Houston, a non-profit organization, was established with the primary objective of spreading the message of Non-violence, Peace and Unity to the world at large. This center is unique in the fact that it is blessed with the auspicious presence and continual spiritual guidance of Jain Samaniji (disciples of Acharya Mahapragyaji) around the year. JVB conducts a multitude of activities for the physical, mental and spiritual well-being of mankind from all walks irrespective of cast, color, creed or faith, counts on your patronage to further its mission.

JVB humbly requests your generous contributions in the form of sponsorship of 'Tithis' or 'Days' to celebrate or remember a special day or a special person in your life. This could be a birthday, graduation, or an anniversary of your family member or a day dedicated to the memory of someone you love. On this day, you can avail Samanijis' blessings with spiritual practices at the JVB center or in your home. You can also take Gochari Labh (the benefit of offering food to Samanijis). It will be one of the greatest ways of celebration or memory.
