

## Raja Harischandra—Cullen Hall—Sat Jan 11th—Audience Feedback

As the play “Raja Harishchandra” ended last Saturday night, the depth of the production and the actors left many exhilarated at the amazing range of talent that exists among the amateurs in the community. The entire drama was well depicted by amateur actors who dug deep into themselves to memorize long pages of dialogue in shudh (proper) Hindi and bring out the wide range of emotions, quite uncommon for a community play screened for just one show **Jawahar Malhotra**

Thank you so much for inviting us to watch a wonderful play. My wife and I really enjoyed the performances by each member of the crew. Being from Mexico, my wife does not understand Hindi, but the distribution of synopsis of each scene was very useful for her. Is everyone on the team a professional actor? Please extend our congratulations to all.

नाटक के फोटो देखते हुए जो प्रतिक्रिया हुई है वह भेज रहा हूँ

भारत में आज कल इतने भव्य और सशक्त नाटक नहीं होते हैं। बहुत बड़ा ग्रुप है, जिसमें सभी उम्र के लोग हैं। फोटो से लगता है कि सभी ने अपने रोल पर बहुत मेहनत की है क्योंकि चेहरे के हाव भाव उनके अभिनेय की सशक्तता बताते हैं। जो कड़ी रिहर्सल के बाद ही हो सकती है। नाटक में रंगो, ड्रेस और मंच संयोजन पर परिपक्वता है। ये काम ऐसे व्यक्ति का हाथेगा, जो भारत की संस्कृति से बहुत घुला मिला होगा। मंच पर कथक का प्रयोग किया गया है वह बहुत अच्छा है। फोटो में आवाज नहीं होती है पर मुद्राये डायलाग डिलेवरी बताती है, जिससे लगता है कि वह भी रोल के अनुसार ही होगी।

हॉल भरा है।

अभी पूरे फोटो देख नहीं पाया। कभी भरत में इसका प्रदर्शन हो तो बता देना। पूरी टीम को बधाई।

Please congratulate every member of this mega production for their efforts and the successful show. The play was superb and the cast, back stage, producer and organizer did an excellent job and that was evident from the occupied seats filling the applause. We enjoyed it. The moral was great and take for me personally is: There could be testing times in our life, ask for strength and stand by your principles. The story about Raja Harischandra is no less than Sachidananda (that is anand thru sach) which is another name of GOD himself. Thanks for bringing such entertaining and yet very moralistic and valuable shows to our city.

Sincerely,

Deepak Gupta
